VINTAGE 2024

The year 2024 will be remembered as one of the rainiest in recent years. Following a mild winter with good water reserves, spring saw rapid vegetation growth. The rest of the season was characterized by abundant rainfall and balanced temperatures. The harvest took place in more traditional times and was interrupted by heavy rains, requiring special attention for the later-ripening grapes. Our harvest began on August 19 with Alta Langa and concluded on October 13 with Nebbiolo grapes for Barolo.

THE DIFFERENCE IS

Erianthe Moscato d'Asti keeps the whole amazing set of unmistakable aromas provided by the grapes. Thanks to the low alcohol content this delightful fizzy wine is pleasantly easy to drink and particularly enjoyable as summer refreshing beverage.
